Resident Visa Declaration Form

A declaration for resident visa applicants if another person is applying online on their behalf

Using this form

Use this form if another person will submit an online application on your behalf for a resident visa or a variation of conditions of a resident visa. This includes if you are over 18 and have been included in the resident visa application of your parent.

You must also sign Section B if:

- the person submitting your application is a licensed immigration adviser, or is exempt from licensing (such as a lawyer), and
- will continue to act on your behalf after submitting your application.

You must also sign Section C if:

- you are applying for residence under the Active Investor Plus visa category.

Section A: Resident Visa Declaration

I agree:

- to tell Immigration New Zealand about any changes to my circumstances that occur after making this application (including a change in my employment or partnership status) that may (i) affect the decision on my application for a visa, or (ii) affect the decision to grant entry permission based on the visa for which I am applying

I declare:

- that there are no matters or warrants outstanding, or investigations of any kind, which could have any current or future effect on the assessment of my good character, or the good character of any other persons included in this application
- that all my family members, including any adopted by custom and my grandparents or legal guardians (if any) if both my parents are deceased have been listed in the application form

I understand that:

- if I have received immigration advice from an immigration adviser and if that immigration adviser is not licensed under the Immigration Advisers Licensing Act 2007 when they should be, Immigration New Zealand will refuse to accept or decline my application
- the non-declaration of any family members may result in that family member not being recognised as part of my family in future applications
- convictions for certain offences committed up to 10 years after first being granted a residence class visa can result in deportation from New Zealand
- any advice given to me by Immigration New Zealand before making this application was intended to assist me, and acting on that does not mean my application for residence will be approved
- Immigration New Zealand may provide information about my entitlement to work to potential employers via the online VisaView system.

I authorise:

- Immigration New Zealand to provide information about my health and my immigration status to any health service agency
- any health service agency to provide information about my health to Immigration New Zealand
